After the registration is submitted, an email is sent to the email address you entered in the registration form. Respond to this email ASAP (as it has an expiration) to verify the email address and to confirm that you, using that email address, are indeed registering to be a Knight.

Once you accept the "Online Membership Link", you are instantly issued a membership number, which is yours throughout your tenure as a knight. You are mailed an "Online Membership Card" and welcome packet which entitles you to attend any "Council General or Officers Meeting" but you cannot be part of any voting.

The council that you selected or the council of the specified parish is then notified and the council contacts you to begin coordinating your transfer; but before you can transfer, you must first undergo the Exemplification of Charity, Unity and Fraternity (CUF Degree). The council will help you arrange for an exemplification that is presented by your council, another council or an online presentation and transfer you to the council roster when you have completed it. A council membership card will then be issued to you.

You will then be a Knight of Columbus in St. Martin de Porres Council #8238
